Chaitanya Public School- CGPA 10

2016-2017

PROFILE

Passionate .NET Developer with 1 Year of Hands-On Experience in Building Robust Applications. Proficient in C#, Python, ASP.NET, Oracle SQL, and JavaScript, I am dedicated to delivering high-quality software solutions. Always eager to learn and adapt, I thrive in collaborative environments and am committed to continuous improvement.

EXPERIENCE

.NET DEVELOPER

LTIMINDTREE | 2024-2025

- **Developed a new website** from scratch using .NET MVC, C#, and Oracle SQL. This involved designing the architecture, implementing the back-end logic, and integrating the database to ensure seamless data management.
- **Collaborated** with team members to define project requirements and deliver a robust, scalable solution that met business needs.
- **Utilized Visual Studio Code 2022** for efficient coding, debugging, and version control.
- **Enhanced and maintained** an existing web application using .NET, C#, and ASP.NET MVC. Implemented new features and improvements based on user feedback and requirements.
- **Utilized AJAX Toolkit and jQuery** for front-end development to create dynamic and responsive user interfaces.
- **Conducted testing and troubleshooting** to identify and resolve issues, ensuring high performance and reliability.
- **Created and maintained** Excel reports to track project progress and performance metrics.
- **Performed data cleaning and visualization** using Excel and ServiceNow, ensuring accurate and insightful data representation.
- **Automated data processing tasks** to improve efficiency and reduce manual effort.
- **Fitness Tracker App Development** - Successfully developed a basic fitness tracker app as part of training at LTIMindtree using Angular, .NET Core, C#, SQL .
